A STATEMENT

This pamphlet contains the summary and detailed report of the amount of money secured through the efforts of the teachers and pupils of the schools of Illinois, as reported to the Illinois Woman's Liberty Loan Committee. We realize that this does not adequately represent the able assistance which they rendered the various war organizations in every county. We endeavored to reach all schools with the questionnaire, asking for this information, but a small proportion of replies have come to us.

The reports also show that a great amount of work was done by the pupils in preparing Red Cross supplies, including many thousand gun-wipes, surgical dressings, wash cloths, slings, splint straps. Hundreds of sweaters, socks, helmets and wristlets were knitted. Thousand of books, magazines and victrola records were collected; also tin foil, nut shells and peach stones. War gardens were planted and cared for by the pupils in practically every district reporting to this Committee, and we have every reason to believe that this work was very generally done throughout the state.

We are very pleased to give publicity to these reports in recognition of the very splendid cooperation of the teachers and pupils during the various drives.

(Signed) MYRA HENDERSON WILLSON,
Chairman Woman's Liberty Loan Committee,
MRS. HOWARD T. WILLSON.

Report of War Activities in the Schools of Chicago 1917-1918

Supplement to the Report of War Activities in the Schools of Illinois

REPORT OF WAR ACTIVITIES IN THE SCHOOLS OF CHICAGO

Supplement to Report of War Activities in the Schools of Illinois.

Following is a summary of the amounts secured for the various war activities through the efforts of the schools of Chicago, as reported to the Illinois Woman's Liberty Loan Committee:

Bonds	$ 9,181,500.00
Red Cross	343,951.95
War Savings and Thrift Stamps	780,218.19
Junior Red Cross	33,306.97
United War Work	49,105.55
Other activities	69,135.99
Total	$10,457,218.65

This is an excellent showing and represents less than fifty per cent of the schools of Chicago. A great deal of Red Cross work has been done in the schools such as knitting sweaters, socks, helmets, and wristlets, making refugee garments, gun wipes, quilts, blankets, comfort bags, scrap books, etc.; collecting and donating books, magazines, tin foil, nut shells. The teachers acted as clerks on registration days and assisted exemption boards.

A detailed report of the war activities in the schools, as reported to this Committee, follows.

Respectfully submitted,

MYRA H. WILLSON,

Chairman Woman's Liberty Loan Committee,

Mrs. Howard T. Willson.
